Adidas sneaker unisex brings you a range of footwear products to suit your collection. The shoes are meant for men and women who need a pair of comfortable shoes for their day trips. This pair is made of synthetic materials. It has a white shade with a lace-up closure. Adidas designs its footwear keeping in mind the connection between comfort and style which can be observed in its products.

Lace-Up Closure

Shoes with lace-up closures have a snug fit with minimal discomfort. With the laces' flexibility, you can customize the amount of support for your feet.

Stylish Design

The sneakers have a stylish design that matches the best modern footwear fashion.

Style Tip

For casual occasions, these shoes can be paired with jeans, chinos, and other casual clothing of your choice. Wear them with your favorite casuals on day trips and outings for a complete look.
